To whom it may concern,

I am writing this recommendation on behalf of **Francisco E. Gonzalez Santiago**. I was Francisco's instructor and mentor for Look Development and Lighting for 7 months while at Full Sail University. During that time, I was greatly impressed by Francisco's strong work ethic, problem solving skills, and determination to grow and learn as much as possible. His hunger for knowledge allowed him to grow as an artist and as a technician in the software. He has a strong sense for what it takes to succeed and is willing to work to achieve his goals.

I would *highly* recommend Francisco for any future positions at your company.

Sincerely,

**Shawn Rinehart** | *Computer Animation Course Director/ Art Director* | Full Sail University | T 407.679.0100 x 8970 | <http://shawn-rinehart.blogspot.com>
